ZWCAD

Beyond AutoCAD® Alternative

From $899, you own it forever

ZWCAD is your best go-to CAD choice

with unrivaled DWG compatibility, familiar user interface,
super-fast speed, and affordable perpetual licensing.

Seamless Compatibility

ZWCAD supports seamless DWG compatibility, along with various industry-standard file formats. It reads, writes and saves DWG drawings directly, ensuring the highest level of compatibility when exchanging data with AutoCAD®.
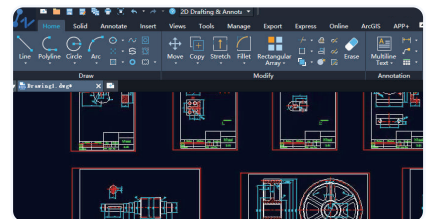

AutoCAD 2018 Drawing (*.dwg) ✓
AutoCAD 2013 Drawing (*.dwg)
AutoCAD 2010 Drawing (*.dwg)
AutoCAD 2007 Drawing (*.dwg)

Familiar Interface

ZWCAD offers a user-friendly user interface that is instantly recognizable to AutoCAD®users, making it easy for you to start creating in no time. With a single click, you can use ZWCAD's setting migration tool to transfer files like fonts, print configurations, hatch patterns, etc.

Complete Features

ZWCAD is packed with complete features and functionalities to make your design workflow fast and efficient. The Smart series, in particular, unlocks a world of possibilities for designers and engineers alike. FlexiBlock allows you to use and edit AutoCAD® Dynamic Blocks directly.
